

2025 IMPACT REPORT

strengthen

OUR VISION for 2025 was to **STRENGTHEN** the church's focus on their role in global missions. We set out to mobilize churches around the world by providing encouragement through our coaching, empowering them through our resources, equipping them through our trainings and engaging them in missions with sending out teams.

With God's leading, and your partnership we saw the global church **STRENGTHENED** this year through the work of Here2There.

NEW INITIATIVES

we took to help us reach our goals

PASTOR & CHURCH CONFERENCES

Every time we work with a mission team, we now offer a coinciding missions training for their local pastors and church leadership. This better equips the churches in missions and strengthens the partnerships that already exist.

CONFERENCE SESSIONS

We have been invited to lead breakout sessions as several of the conferences we have attended. This gives us exposure, credibility, and opportunity for new partnerships.

LOCAL LEADERSHIP

Mission Coaches is our key to multiplication. Identifying leaders who will teach it to others is the future of Here2There.
